DESIGN SOLUTIONS | DOING THE FLOWERS | THE LOOK | RENEW & REDO

I The often-wasted space just out of arm's reach has been capitalised on with an **ingenious ladder device** in this kitchen by designer Sean Cochrane. Pistachio-green cupboards are grounded by an ebony island and ladder – super stylish. ▶

AN OPEN AND SHUT CASE

Skilful joinery and a clever maximisation of space does wonders for the flow and visual impact of a room. Julia Freemantle looks at storage that defies dimensions
